

HLT47315 CERTIFICATE IV IN HEALTH ADMINISTRATION

Study With Axial Training To Get The Skills and Succeed

The nationally accredited Certificate IV in Health Administration teaches you how to understand and apply medical terminology, manage patient record-keeping systems and contribute to the organisational effectiveness of the health industry. In addition to this, you will learn a variety of customer service strategies which will allow you to provide quality client care in a range of medical and health care environments.

Axial's qualified trainers will help students understand the theoretical and practical aspects of the course to support their success.
