

HLT33115

CERTIFICATE III IN HEALTH SERVICES ASSISTANCE

Study With Axial Training To Get The
Skills and Succeed

This qualification reflects the role of a variety of workers who use a range of factual, technical and procedural knowledge to provide assistance to health professional staff for the care of clients. Health services assistance involves the worker in direct client contact under supervision.

You will graduate with practical skills in a range of healthcare tasks and hospital duties, including:

- transporting patients
- preparing and maintaining beds
- following basic food safety practice
- infection control and prevention
- recognising healthy body systems
- basic medical terminology

This course includes a work placement in a healthcare environment to help you further develop your skills and gain direct industry experience.

Study Mode	Online & Face to face
Duration of Course	6 - 12 Months
Total Units	15 [7 Core & 8 Elective]

Requirements

You will need to have access to a Lap Top or Desk Top Computer with working speakers or headphones and a suitable, reliable internet connection.
