

1 BECOME AN AXIAL STUDENT AMBASSADOR

Our Student Ambassadors have a passion for their studies and want to share their experiences to encourage others to study at Axial International college. They liaise between the College and the external community and volunteer their time to share their knowledge of AIC with people who wish to gain a better understanding of college life here in Queensland.

Student Ambassadors work directly with the Axial Marketing and Events team and make a significant contribution to the College community while developing personal, professional and leadership skills.

If you love AIC and want to promote your student journey and your course to prospective students at high schools, career expos, Open Days, festivals and other recruitment and community events then read on to find out how to become a AIC Student Ambassador!

Student Ambassadors are involved in a variety of College activities, including:

- Orientation events and Discover AIC
- annual external college events
- high school visits around Brisbane and Townsville regions
- media opportunities - photo shoots and interviews.

2 REWARDS

Through participation in these activities, Student Ambassadors have the opportunity to develop professional skills such as:

- leadership
- teamwork
- public speaking
- networking with Industry and communication

You will also receive certificates of contribution for each event they you have contributed to, an invitation to Axial events to connect and have access to our large network of Industry experts and business owners/experts in your chosen field of study and the "AIC Ambassador Award of contribution to study and Industry 2020" upon graduation.

Note: All event admissions (i.e.) tickets etc will be funded by AIC.

3 YOUR COMMITMENT

To be eligible as a Student Ambassador, we expect candidates to:

- have completed one semester of study and maintain optimum attendance and outcomes
- dedicate a minimum of 20 hours per semester (6months) to promotion of your student experience and contribution to events
- attend Orientation events for new commencing students
- dress appropriately and wear the Student Ambassador uniform to all events
- honour any commitments made with the program.
- Agree to (and sign) a media release form to further promote your experience as an AIC student and upcoming graduate.

4 HOW TO APPLY

Simply fill out the application form for consideration.
