AXIAL TRAINING

Empowering Lifelong Learning
in Queensland Schools

THE AXIAL TRAINING DIFFERENCE

At Axial Training our aim is to provide an exceptional education experience, with quality outcomes and tailored training solutions that add genuine value to a students secondary school experience.

We have developed an industry-leading blended vocational training model that has proven to be ideal for Queensland Schools delivery.

VETiS PROGRAM

Axial Training is proud to offer a range of **fully funded VETiS** programs to Queensland secondary school students. These courses are providing effective pathways to students for further study, employment or Apprenticeships & Traineeships.

All students have access to our industry-leading student support program that helps enhance natural skills whilst enriching the total learning experience.

AUR20720

CERTIFICATE II IN AUTOMOTIVE VOCATIONAL PREPARATION

LEARN NEW SKILLS

PROGRAM OVERVIEW

Students can commence a pathway towards their automotive career with AUR20720 Certificate II in Automotive Vocational Preparation - a qualification suitable for students who are interested in working in an automotive environment. Students will obtain the knowledge and skills which will enhance their prospects of employment in an automotive or related working environment.

No previous work experience is needed. This is a funded VETiS program being delivered by Axial Training at Regional Trade Training Centres and at suitably equipped schools.
