THE AXIAL TRAINING DIFFERENCE

At Axial Training our aim is to provide an exceptional education experience, with quality outcomes and tailored training solutions that add genuine value to a students secondary school experience.

We have developed an industry-leading blended vocational training model that has proven to be ideal for Queensland Schools delivery.

SCHOOLS PROGRAM

At Axial Training, we are incredibly passionate about nurturing our student's individual qualities, preparing them for meaningful and purposeful lives in industry and study, whilst affording them world-class opportunities to reach their ideal career aspirations.

Axial Training is proud to offer a range of short courses to Queensland secondary school students that are providing pathways to further study, employment or Apprenticeship and Traineeship opportunities.
