Starter Program**

THE AXIAL TRAINING DIFFERENCE

Axial Training aim to provide flexible & tailored training solutions that add genuine value. We have developed an industry-leading blended vocational training model.

Our services to our school partners include:

- ✓ **A dedicated Account Manager**
- ✓ **Monthly student progress reporting**
- ✓ **End-of-term reporting**
- ✓ **Access to our online learning platform**

YOUR CAREER STARTER

At Axial Training we are passionate about nurturing our student's individual qualities, preparing them for meaningful and purposeful lives in industry and study whilst affording them absolute world-class opportunities to achieve their desired career aspirations.

Axial Training is proud to offer short courses specifically designed to give secondary students [across years 10, 11 and 12] an insight into possible careers into some of the most in-demand and vital professions in Australia.

HEALTHCARE CAREER STARTER

LEARN NEW SKILLS

PROGRAM OVERVIEW

Axial Training's Career Starter Programs are designed to help students make valuable and informed career choices, providing fundamental direction to their future pathway options.

This short course has been designed for students who wish to undertake further studies in Diploma of Nursing, with units studied potentially being credited towards further Nursing studies.

Students will gain knowledge and competency in specific units to give them a real insight into the world of Healthcare.
