THE AXIAL TRAINING DIFFERENCE

At Axial Training our aim is to provide an exceptional education experience, with quality outcomes and tailored training solutions that add genuine value to a students secondary school experience.

We have developed an industry-leading blended vocational training model that has proven to be ideal for Queensland Schools delivery.

SCHOOLS PROGRAM

At Axial Training, we are incredibly passionate about nurturing our student's individual qualities, preparing them for meaningful and purposeful lives in industry and study, whilst affording them world-class opportunities to reach their ideal career aspirations.

Axial Training is proud to offer a range of short courses to Queensland secondary school students that are providing pathways to further study, employment or Apprenticeship and Traineeship opportunities.

CERTIFICATE III IN HEALTH SERVICES ASSISTANCE

LEARN NEW SKILLS

PROGRAM OVERVIEW

Certificate III in Health Services Assistance equips the student with a solid understanding of how to help to make a difference in the lives of others and acquire the skills and knowledge to support nurses in the care of patients with different needs. Provide personal care to a diverse range of people and learn how to respond to various emergency health situations.

Students will also learn the important skill of communicating effectively with both professionals and patients.
