AXIAL TRAINING

Empowering Lifelong Learning
in Queensland Schools

THE AXIAL TRAINING DIFFERENCE

At Axial Training our aim is to provide an exceptional education experience, with quality outcomes and tailored training solutions that add genuine value to a students secondary school experience.

We have developed an industry-leading blended vocational training model that has proven to be ideal for Queensland Schools delivery.

VETiS PROGRAM

Axial Training is proud to offer a range of **fully funded VETiS** programs to Queensland secondary school students. These courses are providing effective pathways to students for further study, employment or Apprenticeships & Traineeships.

All students have access to our industry-leading student support program that helps enhance natural skills whilst enriching the total learning experience.

RII20120

CERTIFICATE II IN RESOURCES & INFRASTRUCTURE WORK PREPARATION

LEARN NEW SKILLS

PROGRAM OVERVIEW

This qualification is designed for people entering the resources and infrastructure sectors who carry out predominantly routine operational tasks using basic practical abilities and foundational industry knowledge. Individuals are expected to work under direction while maintaining responsibility for the standard and quality of their own work outcomes.

The course also provides a preparatory pathway for learners intending to progress into a trade-specific or industry-specific Certificate III qualification within the Resources and Infrastructure Industry Training Package.

Potential Career Pathways:

- ⇒ Civil Construction Worker
- ⇒ Open Cut Coal Mine Operator
- ⇒ Metalliferous Open Cut Mine Worker
- ⇒ Small Mine Operations Assistant
