CERTIFICATE II IN HEALTH SUPPORT SERVICES

Study With Axial Training Whilst At School To Get The Skills and Succeed

Commence your career in the health care sector with this entry-level course and develop the basic skills needed to work within a variety of health environments in support roles. Certificate II in Health Support Services prepares students for the role of workers who provide support for the effective functioning of health services. At this level workers complete tasks under supervision involving known routines and procedures or complete routine but variable tasks in collaboration with others in a team environment.
